

INFORMATION SECURITY POLICY

POLICY STATEMENT:

We at SatCoNet are committed to manage Information Security conforming to Tanzania Communication Regulatory Security Guidelines to all our business functions in relation to the storage, processing and transmission of customer's data in accordance with SatCoNet's business objectives by:

Developing and implementing policies and processes to ensure Confidentiality, Integrity and Availability of information and data, in accordance with its severity levels;

Complying with business requirements, TCRA regulatory requirements and contractual security obligations;

Spreading information security awareness among our staff through regular training;

Managing the security incidents effectively; and developing Business Continuity Plans;

Continually improving through establishment and regular review of measurable security objectives;

Ensuring that Information will only be accessible to authorized persons from within or outside the company.

Satconet shall ensure that review of the information security policy and related documents is performed at least on an annual basis or when significant changes occur, to ensure suitability, adequacy and effectiveness of the ISMS framework.
